

27th Elementary Science Olympiad

Coordinated by

Lewis Cass Intermediate School District

Friday, March 13, 2020 ~ 9:00 a.m. to 1:45 p.m.

at

Southwestern Michigan College

- Who:** Third, fourth, and fifth grade students grouped into pairs/partners. Each district can send a maximum 20 students. A teacher/adult must accompany each group of 10 students. Teachers must be willing to conduct one of the day's events, if needed.
- What:** A day of "hands-on" science events designed to challenge and nurture students' science interests and abilities. In pairs or small groups, the students will rotate through a variety of physical, life or earth science activities which will require them to use science process and thinking skills. Attendance at *Elementary Science Olympiad* is a reward and recognition for students who are scientifically competent and motivated.
- Cost:** \$6.00 each for student, teacher and/or accompanying adult. School District will be invoiced after event. **Please do not send payment ahead of time.**
- Timeline:** Registration is due February 21, 2020.

PLEASE VISIT THE LEWIS CASS ISD WEBSITE AT WWW.LEWISCASSISD.ORG UNDER STUDENT EVENTS TO REGISTER YOUR TEAMS. ADDITIONAL FORMS AND INFORMATION ARE ALSO AVAILABLE ON WEBSITE. IF YOU HAVE QUESTIONS, PLEASE CONTACT CANDY COOPER, LEWIS CASS ISD VIA EMAIL AT CANDY.COOPER@LEWISCASSISD.ORG.
